NSW Productivity Places Program

NSW Productivity Places Program Tender

CPSISC encourages all Registered Training Organisations (RTO) that are deliver training in NSW to register to be involved in the Productivity Places Program.

Tenders for 2009-2010 NSW Productivity Places Program opened at 5pm on Wednesday 10 June 2009 and will be open for 6 weeks. Tenders will close at 5:00 pm on Wednesday 22 July 2009.

To access the NSW Productivity Places Program online tender, you will need to log onto the NSW Department of Education & Training website "Training Market".

Briefing Sessions for Registered Training Organisations considering submitting a tender for the NSW Productivity Places Program (PPP) will be held across NSW. Briefing Session locations and dates have been advertised on the Training Market website. The Briefing Sessions will provide information on the NSW PPP, as well as providing detailed advice on the online tender process.

If you have any further questions please contact CPSISC on the details below.
